**MICROS-Retail© signs agreement with AVE INVESTMENTS, INC to provide AVE pcKeyboard® and AVE Installation Services to MICROS-Retail© clients.**

Osage, Missouri (March 27 2008) AVE INVESTMENTS, Inc. is honored to have been chosen by MICROS-Retail© to be the supplier for the first of a kind pcKeyboard® that integrates the POS computer into the TG3 POS keyboard. MICROS- Retail© applications have been tested on this new platform and are ready for deployment in high image client stores.

Further, MICROS-Retail© has recognized the value, efficiency, and improved quality of using AVE INVESTMENTS Inc. first of a kind motor coaches and AVE personnel to provide the services to install both parties products in MICROS-Retail© clients.

Alan J. Newman, Senior Account Manager, Hardware for MICROS-Retail© states, "AVE Investments will provide pcKeyboard® and Installations Service for rollouts of stores at MICROS-Retail© beginning in April. This is an innovative new product as well as an efficient new method of using Motor Coaches to install POS systems in our customer's stores across the US."
