AVE INVESTMENTS, INC./pcCashdrawer announces pcKeyboard® ; the worlds first, smallest footprint \$749.00 POS system featuring the Intel® Atom®™ processor integrated inside the Cherry SPOS Point of Sale keyboard.

OSAGE BEACH, Mo. Dec 1, 2009 AVE INVESTMENTS, INC proudly announces pcKeyboard®. By manufacturing together the mobile, low voltage Intel® Atom™ processor and the top selling Cherry SPOS Point of Sale keyboard, a new level of reduced size, low cost, and enhanced mobility is achieved for the POS system industry. The pcKeyboard® comes with Three Year Overnight Replacement Warranty.

pcKeyboard® combines the powerful and innovative Intel® Atom™ processor and proven Cherry SPOS Point of Sale keyboard into a single, small size footprint, customer service transaction system. Built in USB and LAN ports connect the necessary credit authorization and receipt printing functions.

“Customer service counter space is at a premium where a salesperson, agent, or teller performs transactions with a customer.” states Ted AveLallemant, President of AVE INVESTMENTS, INC. He further explains, “Eliminating the “PC box” and reducing cables and components means a more efficient and neater fixture. Retail, healthcare, rental car, airline check in, and retail banking will now have a way to streamline the customer transaction work space.”

Also, by combining the POS system and the POS keyboard in one component, the pcKeyboard joins AVE’s mobile POS products as new choice for sidewalk sales or seasonal registers.

The pcKeyboard® is designed specifically for the rugged customer transaction environment:

- \$749.00 includes Intel® Atom™ system and Cherry SPOS keyboard
- Credit Card Reader, Mouse Pad, and Programmable Keys
- 3 year overnight replacement warranty
- 1.6 GHz Processor with up to 2 Gigabyte RAM max.
- 160 GB Hard Drive or Solid State Drive
- (4) USB ports, (2) COM, (2) LAN, (1) VGA standard, (1) LPT available
- 14” width – 6” depth w/ custom cable cover
- 5v AC adapter
