Options	Integrated Customer Display Stand Alone Pole Display (Serial or USB) Credit/Debit Signature Capture Terminal Barcode Scanner Touch Monitor Multi-Station Printer

posMicro™

The posMicro is the heart of our “green” pcCashdrawer product line.

The small size, low voltage, fanless Intel Atom™ processor makes the posMicro rugged and quiet with minimal power consumption – the most “Green” POS in the industry.

In a cash drawer it becomes the pcCashdrawer, mounted on a monitor it is the pcMonitor. The Atom motherboard is used inside the Cherry SPOS keyboard to create the pcKeyboard® .

Specifications

CPU	Intel® Atom™ N270 1.6Ghz CPU for Ultra Low Voltage
System Chipset	Intel® 945GSE
BIOS	AMI BIOS
Memory	1 GB 533MHz DDR2 SO-DIMM (Max 2GB)
Ethernet	One PCIe Realtek 8111CP GbE chipset
Storage	160GB 2.5" SATA Hard Disk Drive (Solid State Drive Optional)
I/O Interface	4 x USB 2.0 2 x RS-232 1 x CF Type II VGA 2 x LAN
Display	Intel® Graphics Media Accelerator 950 – Integrated on 945GSE chip
Audio	Realtek ALC655 with AC'97 codec
Power Supply	5V DC only
Power Consumption	5V @ 2.54A
Dimensions	6.5" W x 4.5"D x 1.5"H
Weight	2 pounds
Warranty	3 Years Advance Replacement
